PROFESSIONAL ACHIEVEMENTS

Owner -- Garden Girls, LLC, Annapolis, MD

2003-Present

Successfully partnered with clients to promote Chesapeake Bay stewardship through sustainable, low-impact landscape design, installation and maintenance. Projects have included wetland revitalization, living shoreline planting, rain-garden and rain-barrel installation, coastal-plain outfall construction and conservation plantings.

Daily decision making experience in:

- Leadership
- Team Building
- Client Relationship Development
- Permitting / Compliance
- Marketing
- Budget Management
- Project Identification and Management
- Community Outreach

Special Accomplishments:

- *Reduced fertilizer use among client base by 98% since 2005.*
- *Installed approximately 500 native trees and 3500 native shrubs and perennials in Chesapeake Bay watershed.*
- *Bay-friendly landscape projects featured on Eastport Home and Garden Tour in 2008 and 2011.*
- *Recipient of Green Star Award from City of Annapolis for outstanding volunteer contributions on behalf of the environment.*

Project Coordinator -- Bilingual Education and Careers Program

Salisbury State University, Salisbury, MD

1998-2001

Successfully implemented and managed federally funded (OBEMLA Title VII) \$1.1 million grant project that provided teacher training, academic and career enhancement opportunities to bilingual residents of the Eastern Shore of Maryland and Virginia.

- Identified and recruited bilingual students from all counties of Eastern Shore of Maryland and Virginia.
- Assessed grant applications and provided academic support to promote student success.
- Created and organized yearly Bilingual Education Summer Institute.
- Organized and taught bi-annual Teacher Training Institute.
- Analyzed and reviewed grant applications made to the United States Department of Education
